

# From heart attack to heartthrob.

**As South Jersey's leading heart program,  
we offer advances that can advance your life.**

When it comes to your heart, you deserve extraordinary care. Enter Virtua Health, five-star rated for coronary bypass procedures. Here, over 100 heart specialists care for more patients, treat more heart attacks and perform more bypass surgeries than anyone in South Jersey. And, with one of the region's top heart valve programs, our expert team offers minimally invasive procedures that reduce pain and speed recovery.

To request an appointment within 48 hours, visit [virtua.org/heart](https://virtua.org/heart) or call **844-932-8444**.
